

The background of the cover is a blurred photograph of two men in a professional setting. One man, with grey hair, is smiling and looking towards the other man. They appear to be in a meeting or collaborative work environment. Overlaid on the image are several large, semi-transparent hexagonal shapes in teal, orange, and dark green, arranged in a pattern that suggests a network or data structure.

Services & Translation

"We will make sure your business works for you"

| About Us

Creative Solutions Services & Translation LLC is a business entity dedicated to offer diversified professional services. Our scope of activities spans different domains of business set up, PRO, trade mark registration, marketing consultancy, as well as translation services.

| Vision

To be a distinguished service provider and to assume long term partnership with our clients. It is our mandate to execute our assignments in the most credible and reliable manner.

| Values

Stemming from a solid background based on expertise and professional know how, our core value is to offer a distinctive service quality to achieve customer's satisfactory for all deliverables.

| Services

CSST positions itself in the market with the range of services it offers, not only helping investors establish their business in U.A.E. but also accompanying their first steps to set a leg in the local market through:

- Business Set up Services
- Trademark Registration
- Typing Services
- Legal Translation
- PRO Services
- Marketing Consultancy

| Legal Translation

As local and international business relationships require diversified languages to execute the proper communication, we pride ourselves to be among the best local translation services providers in U.A.E.

| Ministry of Justice Certification

Our dedicated in house team consists of high caliber native speakers translators who execute their assignments professionally and offering the best quality with utmost confidentiality together with MOJ certification.

| Scope

Our activities cover different types of documents including but not limited to marketing materials, legal documents, financial reports, policies & procedures, business plans, technical Electronics catalogues, medical material and reports, training materials covering different topics and etc.

| Languages

Our scope of work covers translation in different languages: Legal Translation Arabic, English, and French. Also, we cater to other languages like Spanish, German, Persian, Urdu, Japanese and etc.

| Translation Rate

Connect with us for the best rate. The rates are diversified as per the language pair, word count, and original materials file type.

| Trademark Registration

A trademark is a sign to distinguish your goods and services and give it a professional image and sense of ownership. Such factors will elevate the mindset of being a credible and worthy brand to deal with.

Registering a trademark eliminates any potential cost to raise in case of conflict or similarities of using the same brand credentials.

Our services provide you with step by step guide to acquire full ownership over your brand or concept achievement.
